## The project

VOIS Erasmus+ KA2, VET, is a European funded project for building professional open innovation competences among the agri-food and bio-economy sector.

The target groups are SMEs in the agrifood and bioeconomy sector, VET trainers, professional development consultants, VET providers, Ministries of Development and Agricultural development, Associations of Chambers of Commerce, Financial Chambers, Public authorities, Universities and Research institutions, networks.

The project has now reached the 16<sup>th</sup> month of implementation and the works of the partnership have provided a number of results:

**For Area 1**, 7 modules have been created while **for Area 2**, another 6 modules have been created and translated in **6 languages**

- **Croatian,**
- **German,**
- **Greek,**
- **Finnish,**
- **Polish and**
- **Portuguese.**

The next task to be implemented will be the **Repository Area 3** for which HCCI will provide templates for the collection of material.

## 3rd Transnational Partner Meeting - Rzeszów/Poland

On the 30<sup>th</sup> & 31<sup>st</sup> of March 2023, the third Transnational Partner Meeting took place in Rzeszów/Poland, with CWEP as a host. Partners from all co-operating countries participated in this meeting in person and online.

All management, dissemination, finance, monitoring and evaluation activities were discussed, with presentations regarding pending, ongoing and completed tasks given from each partner in charge.

Co-funded by  
the European Union
